RITESH SINGH

Data Analyst | Business Analyst

Noida, Uttar Pradesh, India | +91 8318174679 | riteshsingh.raj.23@gmail.com | linkedin.com/in/riteshsingh-analytics

PROFESSIONAL SUMMARY

Data Analyst with a PGDM in Business Analytics and hands-on experience building **Power BI**, **Excel** and automated reporting solutions. Currently delivering **30+ school-level dashboards** and a Head Office audit dashboard that give leadership a single view of fee collections, admissions, enrollment and compliance across a 30-school group. Skilled in **SQL**, **Python**, **DAX**, statistical analysis (**SPSS**) and the **CRISP-DM** methodology, with a track record of automating manual workflows (12+ hours/week saved) and turning raw data into decisions.

CORE SKILLS

BI & Visualization: Power BI (DAX, Power Query), Tableau, Advanced Excel (PivotTables, Slicers, Power Query), Dashboard Design, KPI Reporting

Programming & Data: SQL (Queries, Joins), Python (Pandas, NumPy, Matplotlib, Seaborn), Data Cleaning, Data Pipelines, Structured / Semi-Structured / Unstructured Data

Statistics & Methods: SPSS, Hypothesis Testing (Chi-Square, T-Test, ANOVA), RFM Segmentation, Pareto Analysis, Forecasting, CRISP-DM

Business & Platforms: SAP ERP, Workflow Automation (Google Sheets, WATI), GDPR-Compliant Data Handling, AWS (Fundamentals), Generative AI & Prompt Engineering

Soft Skills: Stakeholder Communication, Data Storytelling, Problem Solving, Critical Thinking, Leadership

PROFESSIONAL EXPERIENCE

Data Analyst **Dec 2025 – Present**

SRJ Edu Services Pvt. Ltd. (Jaipuria Edu Services Pvt. Ltd.), Noida, UP

- Built **30+ customized school dashboards** giving promoters a single point of truth for real-time fee collections, student strength and admission tracking.
- Developed a centralized **Head Office Audit Dashboard** to monitor academic and financial compliance across **30 schools** through one unified data interface.
- Engineered a master data pipeline that aggregates group-wide student enrollment and financial health metrics for Head Office review at a glance.
- Streamlined multi-school reporting by consolidating fragmented metrics into standardized visual dashboards for both school leadership and corporate oversight.

Data Analyst Intern **May 2025 – Jul 2025**

WTF Gyms, Noida, UP

- Built **Power BI dashboards (DAX)** for lead-funnel tracking, agent productivity and multi-location performance analysis.
- Automated lead capture and routing with a data pipeline (**Meta Ads → Google Sheets → WhatsApp/WATI**), removing manual lead handling.
- Developed a real-time interview tracking system integrated with WATI and ERP-based HR workflows for scheduling and candidate notifications.
- Designed GDPR-compliant automated reporting, **reducing manual effort by 12+ hours per week**.

Engineering Intern **Jun 2022 – Jul 2022**

Kribhco Fertilizers Ltd., Shahjahanpur, UP

- Worked with **SAP ERP** for workforce operations and reporting; supported process data collection within industrial teams.

PROJECTS

Customer Segmentation & Marketing Analytics Dashboard (RFM) **Aug 2025**

Excel

- Processed **100,000+ customer transactions** with an RFM model and built an interactive Excel dashboard with slicers and dynamic visuals.
- Identified the **top 3 segments contributing ~82% of revenue** (Pareto 80/20) and proposed retention, conversion and monetization strategies.

Employee Attrition & Retention Analysis **May 2025 – Jul 2025**

WTF Gyms | Excel, PivotTables, Python

- Analyzed HR data (attrition, retention, exit interviews) using CRISP-DM and built an **Attrition Dashboard** tracking monthly churn and retention trends.
- Delivered role-specific and location-based retention strategies to HR leadership.

Customer Satisfaction in E-Banking: Demographic Impact **Feb 2025 – Apr 2025**

Jaipuria School of Business | SPSS

- Surveyed **226 respondents** and applied Chi-Square, T-Test and ANOVA; found gender significantly impacted satisfaction (**p = 0.0085**).
- Recommended UX improvements and digital-literacy programs for inclusive e-banking adoption.

Challenges and Future Prospects of the National Logistics Policy **Dec 2024 – Apr 2025**

Jaipuria School of Business

- Applied policy analysis and forecasting to assess infrastructure, cost and digital gaps; proposed ERP-integrated, data-driven recommendations for supply-chain efficiency.

EDUCATION

PGDM (Business Analytics) **2024 – 2026**

Jaipuria School of Business, Ghaziabad | CGPA: 7.06
